

<p><u>Factor: ADLs/IADLs</u></p> <p><i>Assess only the client's physical ability to complete the task (prompting is captured in the Cognition section). "No Impact" in the ADL/IADL section means the client is able to perform the task independently without an assistive device.</i></p>	<p><u>Hover Help Text</u></p>	<p><u>Examples of Possible Mitigating Services</u></p>
<p>Ambulation (ability to walk about freely)</p>	<p>Minor - Has an unsteady gait or some difficulty walking</p> <p>Significant - Requires an assistive device to ambulate safely</p>	<p>Uses wall/furniture/cane occasionally for support, avoid stairs, requires an assistive device to ambulate safely (cane, walker, wheelchair, etc.).</p>
<p>Bathe, Shower, or Sponge Bathe</p>	<p>Minor - Needs assistive device in bath/shower</p> <p>Significant - Unable to independently complete bathing tasks</p>	<p>Grab bars, shower chair, caretaker/family assistance to bathe/shower/sponge bathe, etc.</p>
<p>Eating and Drinking</p>	<p>Minor - Occasionally has trouble getting food/drink to mouth or needs assistive device</p> <p>Significant - Unable to eat/drink independently</p>	<p>Self-stabilizing tableware, straw. requires caretaker/family assistance, IV nutrition, etc.</p>
<p>Grooming (hair, nails, hygiene)</p>	<p>Minor - Occasionally has trouble grooming or needs assistive device</p> <p>Significant - Unable to complete grooming</p>	<p>One-handed nail trimmer, long handled brush/comb, caretaker/family assistance, etc.</p>
<p>Toileting Self</p>	<p>Minor - Occasionally has incontinence or needs adult diapers but can manage without assistance</p> <p>Significant - Unable to toilet or use diapers independently</p>	<p>Adult diapers, bedside commode, home health, family assistance, etc.</p>
<p>Transferring (chair to bed, bed to walker, etc.)</p>	<p>Minor - Has some difficulty transferring</p> <p>Significant - Unable to transfer without assistance</p>	<p>Uses furniture, assistive device, or momentum to transfer, home health, family assistance, Hoyer lift, etc.</p>
<p>Communicating</p>	<p>Minor - Uses assistive device to express need</p> <p>Significant - Gestures to signify yes/no, needs trained communication assistant, or is unable to express needs in any way</p>	<p>Communication board, tablet, interpreter, blinks, touches, unable to express needs in anyway would be an example of being in a coma, etc.</p>

<p align="center"><u>Factor: ADLs/IADLs</u> (continued)</p> <p align="center"><i>Assess only the client's physical ability to complete the task (prompting is captured in the Cognition section). "No Impact" in the ADL/IADL section means the client is able to perform the task independently without an assistive device.</i></p>	<p align="center"><u>Hover Help Text</u></p>	<p align="center"><u>Examples of Possible Mitigating Services</u></p>
<p align="center">Physical Ability to Take/Use Medication</p>	<p>Minor - Able to take/use meds w/ assistive technology</p> <p>Significant - Unable to get med to mouth, apply cream, inject med, or otherwise take/use med</p>	<p>Pre-loaded injectable, ez open container, liquid vs tablet, home health, family assistance, etc.</p>
<p align="center">Housecleaning/Laundry</p>	<p>Minor - Able to complete basic housekeeping/laundry chores with assistive device</p> <p>Significant - Unable to independently complete housekeeping/laundry chores</p>	<p>Front load washer, extended duster, EZ grabber, home maker service, family assist, etc.</p>
<p align="center">Dressing/Undressing Self</p>	<p>Minor - Able to dress/undress with modified clothing</p> <p>Significant - Unable to dress/undress</p>	<p>Elastic waist bands, no buttons, slip on shoes, home health, family assistance, etc.</p>
<p align="center">Preparing Meals</p>	<p>Minor - Able to prepare meals with modified utensils/appliances</p> <p>Significant - Unable to prepare meals</p>	<p>Electric can opener, large/easy grip utensils, lightweight pots/pans, accessible sink, home maker services, home delivered meals, etc.</p>
<p align="center">Shopping for Food, Necessities</p>	<p>Minor - Able to get to the store and complete shopping needs w/ assistance/assistive device</p> <p>Significant - Unable to complete shopping needs</p>	<p>Needs help reaching items, uses a grabber, home maker service, family assistance, grocery delivery, etc.</p>
<p align="center">Using Available Transportation</p>	<p>Minor - Limited ability to use own or public transportation</p> <p>Significant - Unable to use transportation</p>	<p>Limited night vision, lack of accessible transportation options, caretaker assistance to leave the home, etc.</p>
<p align="center">Using the Phone</p>	<p>Minor - Able to use phone with assistive modifications</p> <p>Significant - Unable to use the phone</p>	<p>Large button phone, pre-programmed numbers, voice command, amplification, caretaker assistance, etc.</p>

<p style="text-align: center;"><u>Factor: Cognition</u></p> <p><i>This section captures the client's cognitive ability to independently manage the various factors. "No Impact" in this area means there are no cognitive deficits and the client is able to complete the factor independently.</i></p>	<p style="text-align: center;"><u>Hover Help Text</u></p>	<p style="text-align: center;"><u>Examples of Possible Mitigating Services</u></p>
<p style="text-align: center;">Requires Prompting</p>	<p>Minor - Client needs occasional reminders to remember to complete tasks</p> <p>Significant - Client needs consistent/multiple prompts to complete ADLs/IADLs or other tasks</p>	<p>Med minder, family support, home care, group/host home, assisted living, etc.</p>
<p style="text-align: center;">Communicating Ideas and Thoughts</p>	<p>Minor - Client can communicate needs and simple ideas but has difficulty formulating complex thoughts/ideas</p> <p>Significant - Client is unable to communicate needs or formulate simple or complex thoughts/ideas</p>	<p>Simplify language, decision maker, etc.</p>
<p style="text-align: center;">Manages Medication Regimen</p>	<p>Minor - Client needs daily reminder to take medications</p> <p>Significant - Client is unable to manage meds, even with reminders, resulting in under/overdose of medications</p>	<p>Med box, alarm, support from family, calendar, home health, caregiver, etc.</p>
<p style="text-align: center;">Managing Money</p>	<p>Minor - Difficulty managing bills/resources or understanding her finances</p> <p>Significant - Unable to manage bills/resources or understand his finances, i.e., income source/amount, bills to pay</p>	<p>Auto-pay bills, develop budget, money manager, POA, etc.</p>
<p style="text-align: center;">Ability to Make Medical Decisions and Manage Health Care</p>	<p>Minor - Needs some help to understand med procedures, insurance, med advice</p> <p>Significant - Unable to understand/make med decisions, recognize consequences, etc.</p>	<p>Caretaker, family assist, proxy decision maker, etc.</p>
<p style="text-align: center;">Planning and Sequencing</p>	<p>Minor - Complete simple/routine multi-step tasks, e.g., a morning routine, but not complex tasks</p> <p>Significant - Cannot complete multi-step tasks, e.g., plan/make a meal, react to emergency</p>	<p>Prompts, reminder chart, caretaker, assisted living, etc.</p>

<p style="text-align: center;"><u>Factor: Cognition</u> (continued)</p> <p><i>This section captures the client's cognitive ability to independently manage the various factors. "No Impact" in this area means there are no cognitive deficits and the client is able to complete the factor independently.</i></p>	<p style="text-align: center;"><u>Hover Help Text</u></p>	<p style="text-align: center;"><u>Examples of Possible Mitigating Services</u></p>
<p style="text-align: center;">Receiving and Evaluating Information</p>	<p>Minor - Difficulty processing complex information but can understand w/ assist</p> <p>Significant - Cannot process information or take appropriate actions even w/ assist</p>	<p>Complete Medicaid app, assist with end-of-life plan, caretaker, guardianship, etc.</p>
<p style="text-align: center;">Recognizing Basic Needs</p>	<p>Minor - Occasionally forgets a meal, bath, turn on heat, etc.</p> <p>Significant - Routinely forgets/ignores meals, hygiene, medical needs, dressing for weather, etc.</p>	<p>Reminders, family support, part-time caretaker, caretaker, assisted living, etc.</p>
<p style="text-align: center;">Awareness of Consequences of Actions/Choices</p>	<p>Minor -Some trouble w/ action/choice impact, e.g., diabetes and poor diet, etc.</p> <p>Significant -Cannot understand action/choice impact, e.g., gives away \$ vs pay bills; drugs in home = eviction, etc.</p>	<p>Education, home maker, decision-maker, SNF, etc.</p>
<p style="text-align: center;">Orientation to Time/Place/Self</p>	<p>Minor - Sometimes forgets details of events but knows who/where he/she is, etc.</p> <p>Significant - Consistently confused about name/location/date impacting health/safety</p>	<p>Simple reminders/prompts, caretaker, Assisted Living, SNF, etc.</p>
<p style="text-align: center;">Short or Long-Term Memory Issues</p>	<p>Minor - Some difficulty recognizing/contextualizing acquaintances/events, but can recall with minimal prompting</p> <p>Significant - Forgets family/important events impacting health/safety</p>	<p>Reminders, prompting, HCBS, SNF, guardianship, etc.</p>

<p align="center"><u>Factor: Behavioral Concerns</u></p> <p><i>This section captures behavioral concerns that may be a result of other conditions the client has, e.g., dementia, brain injury, mental illness. "No impact" means the client does not have these behaviors or does not have any history of mental illness.</i></p>	<p align="center"><u>Hover Help Text</u></p>	<p align="center"><u>Examples of Possible Mitigating Services</u></p>
<p align="center">Inappropriate or Unsafe Behaviors</p>	<p>Minor - Behavior is occasionally inappropriate but does not pose a serious risk to safety</p> <p>Significant - Behaviors put client/community at risk</p>	<p>Prompts, behavioral coaching, caretaker assistance, supervision, guardianship, etc.</p>
<p align="center">Violent/Aggressive Behaviors</p>	<p>Minor - Verbal arguments/empty threats</p> <p>Significant - Frequent physical/verbal altercations resulting in/likely to result in injury, eviction, arrest, etc.</p>	<p>Behavior mod/therapy, mental health, behavior mod/therapy, intensive mental health, etc.</p>
<p align="center">Wandering</p>	<p>Minor - Occasionally becomes confused when going somewhere but eventually finds way</p> <p>Significant - Wanders from home and gets lost</p>	<p>Transportation, supervision, security measures, locked unit, etc.</p>
<p align="center">Compulsive Behavior</p>	<p>Minor - Some compulsive behaviors, but basic needs are still being met</p> <p>Significant - Unable to manage compulsions, i.e., pica, compulsive gambling, obsessive hand washing creating open sores, etc.</p>	<p>Behavior mod, mental health, caretaker, etc.</p>
<p align="center">Delusions</p>	<p>Minor - Delusions do not affect the client/community safety, i.e., believes the government has tapped phone</p> <p>Significant - Delusions disrupt basic needs and/or community</p>	<p>Mental health services, mental health case management, etc.</p>
<p align="center">Hallucinations (auditory and visual)</p>	<p>Minor - Hallucinations do not affect client/community safety</p> <p>Significant - Hallucinations cause client to make unsafe choices and/or put community at risk</p>	<p>Mental health services, mental health hold, supervision, caretaker assistance, etc.</p>
<p align="center">Withdrawn/Loss of Interest/Decreased Social Interaction</p>	<p>Minor - Decreased social interactions/interests</p> <p>Significant - Withdrawn from social interactions/interests</p>	<p>Mental health evaluation, companion, mental health intervention, companion volunteer, etc.</p>

<p><u>Factor: Behavioral Concerns (continued)</u></p> <p><i>This section captures behavioral concerns that may be a result of other conditions the client has, e.g., dementia, brain injury, mental illness. "No impact" means the client does not have these behaviors or does not have any history of mental illness.</i></p>	<p><u>Hover Help Text</u></p>	<p><u>Examples of Possible Mitigating Services</u></p>
<p>Major Mental Health Concerns, Including Depression, Anxiety, Fears</p>	<p>Minor - Some symptoms of mental health issues that do not interfere with client's safety/health</p> <p>Significant - Symptoms are so severe the client cannot perform basic needs</p>	<p>Depression meds, socialization, intensive mental health intervention, etc.</p>
<p>Recent Loss (death, job, newly disabled, etc.)</p>	<p>Minor - Loss is apparent but is not interfering with client's basic needs</p> <p>Significant - Loss is causing client distress such that basic needs are not met</p>	<p>Family support, companion, mental health intervention, grief counseling, etc.</p>
<p>Substance Use Problems</p>	<p>Minor - Occasional misuse of alcohol or drugs, prescribed or illegal, but does not impair health/safety</p> <p>Significant - Consistently misuses substances resulting in harm to self/others</p>	<p>Education, substance abuse treatment, etc.</p>
<p>Suicidal Ideation</p>	<p>Minor - Passive suicidal thoughts such as, "I don't want to be here anymore," but no intention of taking action</p> <p>Significant - Active suicidal thoughts and plan/means to follow through</p>	<p>Mental health, crisis intervention, mental health, etc.</p>

<p align="center"><u>Factor: Medical</u></p> <p><i>Acute and chronic medical illness, conditions, and deficits. "No Impact" means the client has no medical or assistive technology needs for the risk factor.</i></p>	<p align="center"><u>Hover Help Text</u></p>	<p align="center"><u>Examples of Possible Mitigating Services</u></p>
<p align="center">Unmet Medical Issue</p>	<p>Minor - Mild medical issue does not prevent client from meeting basic needs Significant - Acute, moderate/severe untreated medical issue, i.e., heart disease, diabetes, COPD, etc.</p>	<p>Medical exam, medical treatment, home health, caretaker, etc.</p>
<p align="center">Chronic Medical Issues</p>	<p>Minor - Mild chronic medical issue, e.g., arthritis, but client can meet basic needs Significant - Severe chronic medical issues, e.g., kidney/heart disease, cancer</p>	<p>Family support, medical exam, medical intervention, caretaker assistance, etc.</p>
<p align="center">Attends All Medical Appointments</p>	<p>Minor - Some missed medical appointments Significant - Consistently misses medical appointments/has not had needed medical care for years</p>	<p>Transportation, doctor home visits, new provider, transportation, urgent care, etc.</p>
<p align="center">Dental Needs</p>	<p>Minor - Mild pain that interferes with ability to eat certain foods Significant - Teeth/gums are neglected, decayed, loss of teeth</p>	<p>Dental exam/treatment, dental care/intervention, dentures, etc.</p>
<p align="center">Hearing</p>	<p>Minor - Mild difficulty hearing Significant - Client has moderate to profound difficulty hearing</p>	<p>Speak loudly, hearing aids, phone amplifier, hearing aids, ASL, cochlear implant, etc.</p>
<p align="center">Vision</p>	<p>Minor - Some difficulty seeing Significant - Moderate to complete vision loss or has a degenerative eye disease</p>	<p>Eye exam, glasses/bifocals, medical intervention, assistive devices, caretaker assistance, etc.</p>
<p align="center">Over/Under Weight</p>	<p>Minor - Over/under weight, does not affect medical conditions/daily tasks Significant - Over/under weight exacerbates/causes medical condition or impairs daily tasks</p>	<p>Ensure, dietician, exercise, med intervention, assistive device, caretaker, etc.</p>

<p align="center"><u>Factor: Home/Residence</u></p> <p><i>This is the client's home or where the client lives regularly. It is not a temporary environment, such as a hospital. "No Impact" means the client's home is adequate and there are no safety or health concerns for that factor.</i></p>	<p align="center"><u>Hover Help Text</u></p>	<p align="center"><u>Examples of Possible Mitigating Services</u></p>
<p align="center">Available Food, Properly Stored</p>	<p>Minor - Limited food supply; some perishables outdated/moldy</p> <p>Significant - No food in home or food so limited/spoiled that client could not meet minimal dietary needs</p>	<p>Food bank, home delivered meals, SNAP, emergency food, SNAP, etc.</p>
<p align="center">Structural Accessibility of Home/Residence</p>	<p>Minor - Home needs minor modifications to meet client's needs</p> <p>Significant - Home needs major renovation/modifications to meet client's needs</p>	<p>Wheelchair ramp, grab bars, toilet seat riser, widen doorways, install chair lift, walk in shower, etc.</p>
<p align="center">Adequate Living Space for Household Size</p>	<p>Minor - Some overcrowding exists, i.e., there is not enough sleeping space/chairs</p> <p>Significant - Overcrowding impairs/limits movement/rest/sleep/hygiene to extent quality of life is impaired</p>	<p>Add chairs, bed, new home, reduce household size, etc.</p>
<p align="center">Structural Safety</p>	<p>Minor - Living space may have minimal structural issues</p> <p>Significant - Client is not safe to live in home in current condition</p>	<p>Repair roof leaks, storm damage, cracked sidewalk, major professional repairs/demolition, etc.</p>
<p align="center">Biological Hazards</p>	<p>Minor - Client safe to live in home but needs some hazard mitigation</p> <p>Significant - Client is unsafe in residence until mitigation is completed</p>	<p>Minor mold treatment, specialized cleaning services, hazmat, carpets replaced, walls replaced, etc.</p>
<p align="center">Infestation of Vermin</p>	<p>Minor - Pests are occasionally seen in home but do not pose a health risk</p> <p>Significant - Infestation is severe and poses a health risk to client</p>	<p>Traps/bug spray, home cleaning, professional extermination, replace furniture/flooring/walls, etc.</p>

<p align="center"><u>Factor: Home/Residence (continued)</u></p> <p><i>This is the client's home or where the client lives regularly. It is not a temporary environment, such as a hospital. "No Impact" means the client's home is adequate and there are no safety or health concerns for that factor.</i></p>	<p align="center"><u>Hover Help Text</u></p>	<p align="center"><u>Examples of Possible Mitigating Services</u></p>
<p align="center">Dangerous Objects or Substances</p>	<p>Minor - Home has minimal amounts of dangerous objects/substances</p> <p>Significant - Home contains large amounts of dangerous objects/substances</p>	<p>Inappropriately stored chemicals/cleaners, broken glass, poses serious threat to health/safety, etc.</p>
<p align="center">Excessive Waste/Trash</p>	<p>Minor - Home has some overflowing trash/dirty dishes/clutter in living space</p> <p>Significant - Home has trash/waste impairing ability to fully utilize living space</p>	<p>Housekeeping, home maker services, deep cleaning, organization, trash removal, etc.</p>
<p align="center">Hoarding</p>	<p>Minor - Some clear pathways/areas in essential areas</p> <p>Significant - Pathways/essential areas blocked causing problems in daily activities</p>	<p>Mental health, specialized cleaning, code enforcement, etc.</p>
<p align="center">Fire Hazards</p>	<p>Minor - Some fire risks, i.e., cigarette burns in clothing, flammable items near stove, etc.</p> <p>Significant - Previous fire or risk requires immediate intervention</p>	<p>Safety education, smoking modification, supervision, disconnect stove, repairs, etc.</p>
<p align="center">Appliances</p>	<p>Minor - An appliance needs repair but there is alternate option to meet basic needs</p> <p>Significant - Appliance necessary for basic need is not functional/non-existent</p>	<p>Stove top works but oven doesn't, working refrigerator, means to cook food, etc.</p>
<p align="center">Plumbing</p>	<p>Minor - Residence has some plumbing deficits but they are not causing major concern</p> <p>Significant - Residence has major plumbing deficits</p>	<p>Snake the drains, basic plumbing repair, extensive water damage, broken/burst pipes, no working toilet, etc.</p>
<p align="center">Utilities</p>	<p>Minor - Some utilities are not working but do not impact client safety</p> <p>Significant - Utilities are disconnected due to non-payment or disrepair</p>	<p>Reconnect gas to hot H2O heater, pay phone bill, repair heat source, pay utility bill, LEAP, etc.</p>

<p align="center"><u>Factor: Home/Residence</u> <u>(continued)</u></p> <p><i>This is the client's home or where the client lives regularly. It is not a temporary environment, such as a hospital. "No Impact" means the client's home is adequate and there are no safety or health concerns for that factor.</i></p>	<p align="center"><u>Hover Help Text</u></p>	<p align="center"><u>Examples of Possible Mitigating Services</u></p>
<p align="center">Neighborhood Safety</p>	<p>Minor - Rare/occasional criminal activity may occur in neighborhood but does not pose high risk</p> <p>Significant - Client's neighborhood is a known high-crime area and client safety at risk</p>	<p>New locks, security measures installed, relocation, etc.</p>
<p align="center">Stable Housing</p>	<p>Minor - Client does not have permanent housing or relocates/evicted frequently</p> <p>Significant - Client is chronically homeless or is being evicted</p>	<p>Financial manager, stable housing, alternative housing, emergency housing, permanent housing, etc.</p>

<p><u>Factor: Financial Circumstances</u></p> <p><i>This area captures information related to the client's financial situation, such as adequate income to meet basic needs & if income/assets are used to meet needs. "No Impact" means the client's financial situation doesn't pose any health/safety concerns.</i></p>	<p><u>Hover Help Text</u></p>	<p><u>Examples of Possible Mitigating Services</u></p>
<p>Ability to Access Funds and Financial Information</p>	<p>Minor - Client cannot easily access income and/or financial information independently</p> <p>Significant - Client is unable to access income/financial information independently</p>	<p>Access to debit card, change bank location, financial manager, POA, etc.</p>
<p>Having Adequate Income</p>	<p>Minor - Income is sufficient for basic needs but not for unexpected costs</p> <p>Significant - Client doesn't have sufficient funds to meet basic needs</p>	<p>Family assistance, low income housing, SNAP, low income housing, SNAP, LEAP, SSI, OAP, etc.</p>
<p>Adequate Health Care Coverage</p>	<p>Minor - Client has medical insurance but is not comprehensive</p> <p>Significant - No insurance/insufficient to cover essential medical needs</p>	<p>QMB, Part D, Medicaid, supplemental insurance, etc.</p>
<p>Unpaid Bills</p>	<p>Minor - Client has occasionally paid bills late</p> <p>Significant - Client consistently has unpaid bills</p>	<p>Set up auto-pay for bills, family assistance with bill paying, rep payee, conservator, etc.</p>
<p>Change in Financial Circumstances</p>	<p>Minor - Client can no longer afford other than basic needs, i.e., cable, recreational activities, etc.</p> <p>Significant - Change results in loss of benefits/ability to meet basic needs</p>	<p>Rent help, renegotiate bills, Medicaid spend down, SNAP, LEAP, etc.</p>
<p>Uses Income/Assets to Meet Basic Needs</p>	<p>Minor - Occasionally client cannot afford basic needs due to purchasing non-essential items</p> <p>Significant - Client consistently does not meet basic needs due to buying non-essential items</p>	<p>Budgeting education, money manager, conservator, etc.</p>

<p style="text-align: center;"><u>Factor: Mistreatment</u></p> <p style="text-align: center;"><i>These risk factors specifically address client's safety as related to physical/sexual abuse, caretaker neglect, exploitation, and possible criminal activity. "No Impact" means the client has not experienced/is not experiencing the risk factor.</i></p>	<p style="text-align: center;"><u>Hover Help Text</u></p>	<p style="text-align: center;"><u>Examples of Possible Mitigating Services</u></p>
<p style="text-align: center;">Illegal or Unsafe Activity in the Home</p>	<p>Minor - Some illegal/unsafe activity but not an imminent risk, i.e., misdemeanor crimes</p> <p>Significant - Illegal/unsafe activity impairs safety, i.e., physical fights, drug manufacturing, etc.</p>	<p>Safety plan, protection order, police, evict perps, etc.</p>
<p style="text-align: center;">Physical Pain or Injury</p>	<p>Minor - Experienced pain as a result of abuse</p> <p>Significant - Visible marks, injuries, sores, broken bones, etc. as a result of abuse</p>	<p>Caretaker retraining, new caretaker, medical treatment, remove caretaker, police, protective order, etc.</p>
<p style="text-align: center;">Unreasonable Confinement or Restraint</p>	<p>Minor - Unnecessarily confined to a recliner/bed/wheelchair most of the day</p> <p>Significant - Locked in room, improper use of physical/chemical restraint not approved in care plan</p>	<p>Education, new caretaker, police, new caretaker, medical care, etc.</p>
<p style="text-align: center;">Not Following Care Plan/Standards</p>	<p>Minor - Care plan not followed but has not caused injury or increased medical concerns</p> <p>Significant - Care plan not followed causing injury/pain or worsens medical/other conditions</p>	<p>Education, reminders, police, med care, new caretaker, etc.</p>
<p style="text-align: center;">Harassment, Threats, Intimidation</p>	<p>Minor - Avoids situations with a person due to fear of harassment/threat/intimidation</p> <p>Significant - Acts as a result of threat/intimidation/harassment by another, e.g., must give money to avoid SNF</p>	<p>New caretaker, police, new caretaker, etc.</p>
<p style="text-align: center;">Sexual Acts, Innuendo, Pornography</p>	<p>Minor - Perp makes sexual innuendos but has not yet inappropriately touched or performed sexual acts</p> <p>Significant - Perp has performed or coerced client to perform sexual acts or watch pornography</p>	<p>New caretaker, police, new caretaker, etc.</p>
<p style="text-align: center;">Income/Assets Being Used by Other People</p>	<p>Minor - Money/assets being used by other person, i.e., living w/ client & not helping w/ household costs</p> <p>Significant - Money/assets are being depleted by other person</p>	<p>Eviction, rental agreement, conservator, rep payee, police, etc.</p>

<p><u>Factor: Mistreatment</u> <u>(continued)</u></p> <p><i>These risk factors specifically address client's safety as related to physical/sexual abuse, caretaker neglect, exploitation, and possible criminal activity. "No Impact" means the client has not experienced/is not experiencing the risk factor.</i></p>	<p><u>Hover Help Text</u></p>	<p><u>Examples of Possible Mitigating Services</u></p>
<p>Scams/Frauds/Lotteries</p>	<p>Minor - Client approached by & interested in lottery/scam but has not committed funds</p> <p>Significant - Client participates/participated in lottery/scam</p>	<p>Education re: scams/frauds, cancel credit cards, change phone #, financial mgr., police, etc.</p>
